SSIY ON THE MOVE!

## So Send I You

**SSIY is currently in partnership with nearly 550 local churches across Malawi, Mozambique, Tanzania and Zambia. About 90 pastors serve these churches.**

That's correct—90 pastors—trying to meet the needs of close to 550 local congregations! In fact, most of these pastors have as many as 7-10 congregations under their leadership. It's not uncommon for our pastors to travel from village to village on bicycles to preach the gospel seven days a week in order to meet the needs of all of these congregations. A bicycle, though scarce, is the primary means of transportation for many of them. Without bicycles that properly function these African pastors often travel long distances by foot to share the good news of Jesus Christ.

As Chief Executive Officer of So Send I You, I am inviting you and your congregation to join us in a partnership to ensure that each of these pastors have strong and brand new bicycles so as to ease their burden in reaching remote locations to proclaim the gospel of Jesus Christ.

**I am asking that you and your congregation prayerfully consider joining our SSIY Bicycle Project. This program is designed to ensure that each of our African pastors be blessed with a bicycle. The average cost of a bicycle is \$160.**
